A TYPICAL DAY AT CAMP

There are three age groups at camp that move independently of each other. Each group skates for two hours daily, the last 45 minutes being a controlled scrimmage. After hockey it's off to indoor soccer and basketball. Next a break for lunch, and then off to play racquetball and whiffleball. Finally, a lacrosse game followed by a refreshing swim in the pool. What a GREAT day!

WHAT PEOPLE ARE SAYING ABOUT US

"After the first day of camp, at the supper table, my husband and I heard about his day at camp, it is hard to believe he would be involved in so many activities in one day."

"I read all those quotes in your brochure, they are all really true! You people do a wonderful job!"

"Your coaches are unbelievable! They have patience and humor to keep the kids happy."

"Flat out THE BEST hockey camp on the South Shore!"

"See you next summer, we will be bringing all of his teammates!"

"Thanks for a wonderful summer!"

OUR PHILOSOPHY

After 39 years, we have polished a simple, and successful plan: significantly improve the camper's hockey skills while providing an unusually fun-filled atmosphere!

You be the judge. If after two weeks in our program, your young hockey player is not skating better, we will be more disappointed than you. If after the very first day at camp, your child doesn't report that the day was "awesome", call us!

OUR COACHES

Our coaches are the real strength of our program! They know hockey, they love kids!

Nearly all are current, or former, High School hockey coaches and/or teachers, all have extensive experience coaching. We keep our drills challenging, yet fun, working the skaters hard, striving for improvement in all their hockey skills.

We meet all state and local health and safety requirements. We have CORI and SORI reports on all staff.

Our plan is simple: improve hockey skills and have lots of fun!

Get your group together today, camp is even more fun when you bring your friends!

Our on-ice program is solid: a strong power skating sequence, great puck skills and positional play; yet what the kids go crazy over is all the other activities and camp silliness. Memories of summer days at Hockey Plus! last a life time.

ONCE YOU ARE ENROLLED

In about a week you will receive a confirmation and an information packet regarding what to bring to camp and a list of our special activities. Our special activities include a whiffleball tournament, a soccer tournament, a lacrosse tournament, a bowling tournament, and a crazy hat and mask day.

Also, if you wish, you will be included in our online family and have access to camp photos, videos, and occasional Emails. We NEVER give out your Email address!

Join the Hockey Plus! family this Summer, your hockey player will have the experience of a life time!
